Mr. Torrance presented a request from New Vision Baptist Church to close Smith Street between 3rd Street and Rhodus Drive from 7 p.m. until 8:30 p.m. on the 16th, 17th and 18th of June. Mr. Torrance informed the Council that the pump at the City Pool had failed, and that he is recommending that we replace the pump rather than have it re-built. Mr. Torrance also informed the Council that a water line on Hall Way between Aimwell and Waters Ave. is a 2" line that is right beneath the asphalt. There are six houses on Hall Way that are getting very hot water during the summer months because of the proximity of this line to the road surface. He is recommending that this line be replaced with a 6 in line. The total cost of this project would be \$39,858.22. - (2) The term “due cause” for the purposes of this section shall include, but not

be limited to:

- (A) Conviction of, or the entering of a plea of guilty or nolo contendere by, the licensee or any of the licensee's employees or any person holding an interest in the license for any felony, any law, administrative regulation or ordinance involving alcoholic beverages, gambling or narcotics, or tax laws.
 - (B) Conviction of, or the entering of a plea of guilty or nolo contendere by, the licensee or any of the licensee's employees or any person holding an interest in the license for any sex offense when the licensed business is for on-premises consumption.
 - (C) Suspension or revocation of any state license required as a condition for the possession, sale or distribution of alcoholic beverages.
 - (D) Material falsification of any fact given in an application for a license issued under this chapter or bearing upon the licensee's qualification therefor. Any act which may be construed as a subterfuge in an effort to circumvent any of the qualifications for a license under this chapter shall be deemed a violation of the requirement attempted to be circumvented.
 - (E) Failure to meet or maintain any standard prescribed by this Article as a condition or qualification for holding a license.
 - (F) Any other factor known to or discovered by the City whereby it is objectively shown the licensee, any of the licensee's employees or any person holding an interest in a license, has engaged in conduct at or involving the licensed business or has permitted conduct on the licensee's premises that constitutes a violation of federal or state law, local ordinance or administrative regulations involving alcoholic beverages, gambling or narcotics for all alcohol licensed businesses and including any sex offense under state law or local ordinances with respect to businesses licensed for on-premises consumption. With respect to this section, it shall be rebuttably presumed that the violative act was done with the knowledge or consent of the licensee; provided, however that such presumption may be rebutted only by evidence which precludes every other reasonable hypothesis save that such licensee did not know, assist or aid in such occurrence, or in the exercise of full diligence that such licensee could not have discovered or prevented such activity.
- (3) Notice of suspension or revocation proceedings shall be served on the person named as licensee in the application. Notice shall be in writing. The notice may be served personally or by first class mail. If by mail, the

notice shall be addressed to the licensee at its address as provided by the licensee to the City. The burden shall be on the licensee to provide notice, in writing, of any change of address for service of notices and process. In the case of service by mail of any notice required by this chapter, the service is complete at the time of deposit in the United States Postal Service.

- (4) The hearing shall be conducted by a hearing officer appointed by the mayor of the city council. The hearing officer shall be an attorney licensed to practice in the state who is disinterested in the proceeding.
- (5) Hearings shall be only as formal as necessary to preserve order and shall be compatible with the principles of justice. The City Attorney shall present the City's case and bear the burden of proving by a preponderance of the evidence that due cause exists to suspend or revoke the license. At the hearing the licensee shall have the right to represent itself or be represented by counsel, may cross examine all witnesses offered by the City and may call witnesses and present evidence in its own behalf. Formal rules of evidence shall not apply to hearings under this Section, although the hearing officer shall have the right to exclude evidence which carries no indicia of reliability. All testimony shall be offered under oath or affirmation.
- (6) The hearing officer shall make his final determination within ten (10) business days of the completion of the hearings. The decision shall be placed in writing and contain the hearing officer's findings of fact, conclusions of law, and decision as to sanction, if any. Such sanction may include one or more of the following: revocation of the license, suspension of the license for no more than twelve (12) months, imposition of a probationary period not to exceed twelve (12) months, and/or a civil monetary penalty not to exceed the amount allowed under the City Charter. Progressive sanctions, depending on the severity of the violation, are encouraged but not required. Where the remaining term of the license is less than twelve (12) months, imposition of suspension or probation for a period in excess of the term of the existing license shall be applied to any renewal license. A subsequent violation within a probationary period shall be cause for revocation and/or denial of license renewal. A total of three (3) separate and unrelated violations within twenty-four (24) months, whether or not within a probationary period, shall be grounds for permanent revocation.
- (7) The hearing officer's decision shall be personally served or mailed by certified mail, return receipt requested, to the licensee and his attorney, with a copy to the City Attorney, within ten (10) business days of the close of the hearing. The decision of the hearing officer shall constitute final action by the City, subject to review upon petition for certiorari to the

Superior Court.

- (8) Upon receipt of notice of adverse action against the licensee under this Section, the licensee may waive its right to a hearing and stipulate to a sanction, as recommended by the City Manager, in consultation with the Chief of Police. Any stipulation entered under this subsection shall be in writing, signed by the licensee, and non-appealable.
